It was very good. High energy bar and quiet restaurant. Higher quality everything than I expected right on Street and Broadway. The diner is accessible and can therefore also be used with a wheelchair or physical disabilities. What [User](#) doesn't like about Charlie Palmer At The Knick:

In this **gastropub**, you will find not only flavorful cuisine, but also a large and comprehensive assortment of good beers and other alcoholic drinks that compliment the food, Naturally, you can't miss out on the tasty burgers, which are accompanied by sides like fries, salads, or wedges offered. The pleasure of various sports events is just as much a big draw, when you are in this sports bar, The guests of the restaurant are also thrilled with the extensive variety of various *coffee and tea specialities* that the establishment offers.
