What [User](#) likes about Lorene: Flavors were excellent! Everything was really fresh, but the meat in our dish (3 of us had it) was so overcooked that we had a hard time chewing it. We also waited an annoyingly long time for our food. Salads took 1 hour to be delivered and then food another 45 minutes after that. We had no wait for our table, got dessert to go because of how late it was, and walked out just shy of 3 hours. [read more](#). The restaurant also offers the possibility to sit outside and be served in beautiful weather. What [User](#) doesn't like about Lorene: we have been there for many occasions for taco dosday. Eating, service were always good to make reasonable trips. we arrived on Tuesday to learn that it is no longer taco Tuesday. we ordered the current menu and the prices were very high and eating was under standard. we will not return.
