However, if they enjoy something more unexpected, this place will fit them well! [read more](#). The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physical disabilities. What [Harry](#) doesn't like about Patria: They said we had to have the \$100 tasting menu and we did. It was really good. The Hamachi crudo was great. The pasta course was tasty. The course with the pork belly was outstanding. The buttermilk ice cream might have been the best course. I'm looking forward to going back but I would rather order ala carte next time. If you want fine food in Northampton this is probably the best right now. [read more](#). Patria from [Northampton](#) is a good option for a bar if you want to have **a drink after work** and hang out with friends, the menu also includes tasty [vegetarian](#) meals.
