The menu of Mendoza's from San Jose includes 112 meals. On average, **meals or drinks on [the menu](#)** cost about \$12.7. The categories can be viewed on the menu below. What [User](#) likes about Mendoza's: Pretty cool [Mexican](#) restaurant.. I had some Chile Verde rice and beans. Jamaica water. And you will be serve with hand made tortillas fresh from the comal. They do have a variation of dishes that I would try in the future. [read more](#). What [User](#) doesn't like about Mendoza's: Decent [Mexican](#) restaurant, some items you need to dress up with salt and salsa for flavor. One of my go to's, the Birria tacos, when ordered in restaurant, you get comsome broth to go with. Ordering with DoorDash, you don't get it for some reason even though it costs the same. Today I made a special order request also and they still ignored it. [read more](#). Look forward to the *diverse, scrumptious* [Mexican](#) cuisine, traditionally prepared with corn, beans and chilies (hot peppers), The **sugar-sweet** desserts of the local also shine not only in the eyes of our little guests. Finally, the establishment also offers a selection of tasty meals that are definitely worth a try, and you can look forward to the tasty typical [seafood](#) cuisine.
