245 S Washington St IL 60540, Naperville, United States  
(+1)6305482500 - <http://www.jimmysgrillnaperville.com/>

The place from Naperville offers 274 different meals and drinks on [the menu](#) at an average \$11.6. What [User](#) likes about Jimmys Grill:

Food was great, but it was a slow night so it appeared they didnt have any servers. The bartender was taking care of all tables plus the bar. Too much to ask of one person, so it meant a lot of waiting to take orders. The food was good enough that we will probably be back again, maybe on a busier night with more staff. [read more](#). The restaurant also offers the possibility to sit outside and eat in pleasant weather. During a meal, a good drink is essential. In this gastropub, you not only get delicious menus from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food, the visitors love having the chance to watch the latest games or races on the big TV in this *sports bar*, while also enjoying food and drinks. You can also relax at the bar after the meal (or during it) and enjoy a **alcoholic or non-alcoholic drink**, The meat is freshly **cooked** here on an open flame.
