The Menu of **Fuzzy's Taco Shop** from **Arlington** contains about **153** different dishes and drinks. On average, you pay for a dish / drink about \$11.4. What **Gussie Johnston** likes about Fuzzy's Taco Shop: I have my crushed chicken nachos, went to the table to eat, and my goofy himself falls my teller of eating on the floor and makes a huge chaos. they were so that I did not help clean my mess and gave me free eating! excellent customer service! **read more.** Surely, it's also a nice experience to feel like in the *Wild West* once, to drink and consume like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice spicy burger, Typically, the dishes are prepared for you in the shortest time and fresh.
