What [User](#) likes about 1600 Grille:

We ate there as it was next to Toyota center and we were going to concert. It is located in Hilton and disappointed that open table did not show dinner menu. Service was slow due to large concert crowd and short staff. Staff issue I am sure is related to shortage of workers all around and Covid. Mangers tried to help and they were professional. What [User](#) doesn't like about 1600 Grille:

we ate the brunch because we wanted to sleep and not eat until dinner in the night. I ordered from the menu, but my man wanted the buffet so he could get a omelet. there was no one who makes omelett! he was very disappointed because the price of the buffet was very high. the service was good. it was simply disappointing not to get what was advertised.
