I took my family here for dinner on a Friday night and was very satisfied with the experience. The restaurant was clean, the prices were reasonable, the food was delicious and the service was very good. We even had to stop the owner to talk to us and offer us free appetizers on a return trip. My children got a desert they both loved so I think everyone was happy. We're coming back! [read more](#). What [User](#) doesn't like about The All American Steakhouse:

1st time here, we wanted to try a different steakhouse. I like they fact bar is separate from dining room. Not loud like other steak houses. The stakes were okay. The dessert are BIG. The apple bread was good. The bill was a little expensive. So would I come back. Yes. The All American Steakhouse from Ashburn is a suitable bar to a *cocktail after work*, and hang out with friends, and you have the opportunity to try tasty American dishes like [Burger or Barbecue](#). Of course, we must not forget the comprehensive diversity of coffee and tea specialties in this restaurant, For a snack in between, the yummy sandwiches, small salads, and other snacks are suitable.
