In The Forge Oakland, a restaurant with Italian dishes from Oakland, you can expect typical Italian cuisine, including classics like [pizza](#) and pasta, The *magical* desserts of the establishment also shine not only in the eyes of our little guests. You can just get one of the scrumptious **sandwiches**, a healthy salad or another snack, if you're not that hungry, You shouldn't miss the opportunity to try the flavorful pizza, baked fresh in an original manner.
