What [User](#) likes about The Lounge At Final Cut Hollywood Casino Columbus:

Excellent food. Impeccable service. The only drawback was the douchenozzle seated nearby who kept talking on his cell phone with the "speakerphone" enabled. If I'd been the manager, I would have thrown him out.

delmanico steak at \$58 was terrible, chew and fat. scallops and calamari were not fresh. it tasted like a frozen evening meal. since 2021 it was no longer and it was the birthday of my man, so we wanted something special.

very disappointed by the quality of food, as this was the best steak house in the city in my opinion. far too expensive to be moderate, does not go back until better cook. [read more](#). Should you wish to sample delightful
