What [User](#) likes about Morris:

I would prefer a bit more of a selection for snacks/appetizers. The ambiance was great and I was really looking for a pretty drink and what the waiter bought was just filled with ice. I would go back and try again [read more](#).

Just eating and drinking is too ordinary for you? Then a visit to this sports bar is just right: in addition to small snacks and menus you can watch the latest football matches, tennis or Formula 1, Here, the **barbecue** is freshly cooked on an open flame. After the meal (or during it), you can still relax at the bar with a [alcoholic or non-alcoholic drink](#), You'll find nice South American dishes also on the menu.
