What [User](#) likes about Rusty Bucket Liberty Center:

Overall, a letdown from previous experiences. Green beans still had stems attached. Additionally, an order for a club sandwich without tomato, came WITH tomatoes nonetheless. Meatloaf was also not hot, just warm.

Hopefully not a sign of things to come for the future. [read more](#). In pleasant weather you can even have something in the outdoor area, And into the accessible spaces also come visitors with wheelchairs or physical limitations. What [Megan](#) doesn't like about Rusty Bucket Liberty Center:

Our waitress and food were great! However, the heat index was 105 degrees the day we went and their air was not working. Our waitress said it had been out since May. This was absolutely ridiculous working conditions for the employees and we saw several people leave because of this. If we would have know about this before making our reservation, we would not have come. [read more](#).
