The Card of Taco John's from Champaign contains about 58 different dishes and drinks. On average, you pay for a dish / drink about \$4.3. What User likes about Taco John's:
Every time I go to Taco John's, it's a great experience. The food is amazing, the customer service is fantastic, and they make your food so fast that if you have taken out, you are in and out about five minutes. Definitely one of my favorite places in Champaign, read more. What User doesn't like about Taco John's:
I was hoping for better. Taco John 's seemed liked Taco Bell with potato wedges. That 's it. The food didn 't really taste better than Taco Bell... I didn 't feel it was fresh either. I was hoping for better chain like Del Taco (West Coast and growing East) or Taco Time (West Coast Pacific Northwest). read more. Look forward to the diverse, scrumptious Mexican cuisine, traditionally prepared with corn, beans and chilies (hot peppers), Inthemorning a delicious brunch is offered here. The establishments offers a large selection of tasty and fresh juices.
