It's delicious every time I get to eat here. It could sometimes get to do, especially because it's in a mall. Anyway, food is great and the staff seems nice. Eating is kind of expensive, but you get what you pay. I have nothing bad to say about this place. Try it and you won't regret it. Thanks for my review. Peace? [read more](#). What [User](#)

doesn't like about Panera Bread:

In case you're hungry some seasoned South American cuisine, you're in the right place: exquisite dishes, prepared with **fish, seafood, and meat**, but also corn, beans, and potatoes are on the menu, The fine *sandwiches*, small salads and other snacks are also suitable for a snack. If you'd like something dessert for dessert, Panera Bread does not disappoint with its extensive selection of desserts. Also, you shouldn't miss out on the crispy and crunchy [pizza](#), traditional freshly baked in a wood oven.
