The owner is so nice, too! Wish we had discovered this sooner! [read more](#). The restaurant also offers the possibility to sit outside and have something in beautiful weather, and there is free WiFi. What [User](#) doesn't like about Gyro House: Ordered gyro with rice, comes with a dinner salad with tons of chopped white onion. Then the "Greek salad" was just a large version of same, which is romaine lettuce, diced tomato, sliced green olives and the pile of onions. With a side of cucumber dressing.
