What [Brandon W](#) likes about Alborz Persian Cuisine San Francisco: Persian is my favorite cuisine and Alborz did not disappoint. Not sure how they don't have a 5 stars on here. The staff was super kind and helpful and the food was delicious. Big portions on the entrees which was great for sharing! [read more](#). What [debbibp](#) doesn't like about Alborz Persian Cuisine San Francisco: SLEAZY!! We purchased a gift certificate for them through Restaurant.com – but they refused to honor claiming that they “didn't have a contract with them anymore and didn't have to honor it.” The restaurant was almost completely empty and we were there for the first time – but they didn't care if we left... so we walked out. Contacting Restaurant.com revealed that they have never cancelled their gift certificates with... [read more](#). Whether it's a tasty flatbread with a pleasant garlic dip or crispy falafel, the enjoyment of the dishes from the **Middle East** almost feels like being on a vacation - and for dessert a crispy, sweet baklava, you'll head home satisfied, Inthemorning a [delicious brunch](#) is offered here.
