The Card of Wawa from Sarasota contains about 669 different menus and drinks. On average, you pay for a dish / drink about \$4.6. What [User](#) likes about Wawa:

In the morning, you can enjoy a [appetizing brunch](#) at Wawa, as much as you want, The guests of the establishment are also thrilled with the extensive selection of various coffee and tea specialities that the establishment offers. If you have little appetite, you can treat yourself to one of the fine **sandwiches**, a healthy salad or another snack, and you can try scrumptious American meals like Burger or Barbecue.
