What [User](#) doesn't like about Suzette's Creperie:
Many problems that shouldn't happen. Ordered Sancerre (Fr). Got a Spanish Sancerre with no explanation. Menu says you get a biscotti with creme brulee, turns out you don't get one and its been that way for months. Just reprint the menu!! Observed several other errors, wrong meals, main served before starter. Owner needs to pay attention to details. [read more](#).
