What [User](#) doesn't like about Scoreboard Grill:

In this gastropub, you not only get delicious cuisine from the menu but also a comprehensive and particularly good variety of good beers and other alcoholic beverages that go well with the food, You can also unwind at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. If you want to have breakfast, a **tasty brunch** awaits you, The *barbecued food* is freshly **grilled** here on an open flame.
