Not able to order anything I wanted due to the grill not "working". Left with out eating after placing a reservation almost 2 hours in advance. Server could be a bit more welcoming. [read more](#). A selection of fine [seafood](#) meals is dished out by the Raw from St. Thomas, At the bar, you can relax with a **cool beer** or other alcoholic and non-alcoholic drinks. The fine *Sushi such as Nigiri and Inside-Out* however, is the undisputed highlight of this place, and it's made with lots of fresh vegetables, fish and meat, [healthy Japanese menus](#) cooked.
