What User likes about Naena Good Eats: Amazing little Middle Eastern spot tucked in the corner of Whitestone. They have some seating but it's mostly a take out spot. My go to dish is the chicken sharwma platter over rice with a side of beets, hummus and potato salad. The chicken is so tender and packed with flavor and the rice is light and aromatic. The falafel is the best in Queens! Give it a try you won't be disappointed. [read more](#). As a guest, you can use the WLAN of the place free of charge, Depending on the weather, you can also sit outside and have something. The premises on site are accessible, and therefore no problem for clientele with wheelchairs or physiological disabilities. What MVJ doesn't like about Naena Good Eats:

I used to love and support this spot simply because the food was refreshing and good. Lately, the quality has decreased tremendously, chicken portions have gotten smaller and the taste has deteriorated meanwhile the costs have gone up. A lot of the stuff doesn't taste fresh like before. Will no longer be ordering from here. [read more](#). At Naena Good Eats from Whitestone they serve different *tasty French menus*, A **catering service** offered by the restaurant allows you to enjoy the menus on-site or at the function. For those who are still undecided, the smell of fresh flatbread and the fine, sticky delight of fresh baklava might be just the conviction they need - the Middle East is undeniably closer than one assumes, For a snack in between, the yummy sandwiches, healthy salads, and other snacks are suitable.
