This was my first time here, don't let the way the place looks cloud your judgement because the drinks are amazing! The restaurant offers complimentary WiFi for its customers, And into the accessible rooms also come customers with wheelchairs or physiological disabilities. What [User](#) doesn't like about Boba Cha:

I come here almost every week to buy boba but they will never let you use the bathroom. Instead they send customers away to the [Mexican](#) restaurant or to Starbucks. There is no reason not to let paying customers use a bathroom. I think it is disrespectful and awkward. Food: 5/5 [read more](#). With the extensive selection of **coffee and tea specialties**, a visit to Boba Cha becomes even more attractive, Particularly, many customers are looking forward to the **diverse, tasty Mexican cuisine**. Apart from simple snacks, sweet pieces and cakes, there are also *cold and hot drinks*.
