Dave was great! This was my first time to be here and love the experience. It's just a sandwich spot, but the service made it feel like it's much more than that! Anthony was great too. Super friendly staff. Absolutely come back. Go A! [read more](#). What [User](#) doesn't like about Kona's On Nord:

I wouldn't rate this place a 4.5 star. I paid \$17 for 2 6 inch sandwiches. Ya not bad for now a days. But I had a BLT with hardly any bacon could barley taste the tomato. My son got a turkey n cheese which was really good without the cheese. The cheese was cut very lazily. Chunky n gross. They were also extremely slim on the meats. Not worth the price you pay.
