**The Card of The Handle from Kokomo** includes about **23** different menus and drinks. On average, you pay for a dish / drink about \$7.9. For taco enthusiasts, Lord John Tacos remains a beloved stop in Kokomo, showcasing distinctive handmade deep-fried shells that promise a satisfying meal. While some patrons sing praises of their perfectly crispy tacos and generous portions, others express disappointment over the lack of flavor in the meat, suggesting it needs seasoning. The ambiance may lack warmth, but the friendly staff and extensive appetizer menu provide a welcoming atmosphere. Nostalgic long-time customers yearn for the robust, hearty tacos of the past. Despite mixed reviews, the reputation of these iconic tacos continues to attract devoted fans year after year.
