A **complete [menu](https://menuweb.menu) of The Coop** from Oxford covering all **21** menus and drinks can be found here on the menu. Nestled atop the Graduate Hotel, this restaurant offers stunning rooftop views and a mixed dining experience. While the atmosphere and attentive staff receive praise, frustrations arise over service and food quality. Diners comment on overpriced and lackluster menu items, such as underwhelming pizzas and burgers that fail to impress. However, highlights include flavorful appetizers and delightful desserts, with some patrons singling out standout staff members for their exceptional service. As a venue for sports enthusiasts, it holds potential, but management should address concerns to truly harness its charm and capitalize on its prime location in Oxford.
