Food was OK, nothing special. The service was friendly but we had to ask for a couple of thing more than once. Our food order was lost in the kitchen, so we were served after the people that we were with received their food. [read more](#). You can use the WLAN of the restaurant at no extra cost, And into the accessible rooms also come guests with wheelchairs or physical disabilities. In case you're hungry some seasoned South American cuisine, you're in the right place: exquisite menus, roasted with *fish*, [seafood](#), and *meat*, but also **corn, beans, and potatoes** are on the menu, and you can look forward to the delicious typical [seafood](#) cuisine.
