Thai Kitchen Restaurant is a Thai food gem! The Chinese-influenced dishes were a delightful fusion of flavors. The lunch specials and [vegetarian](#) options were a pleasant surprise. [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical limitations, and there is complimentary WLAN. What [Just Shanban](#) doesn't like about Thai Kitchen:

I don't eat meat so I had the fried fish curry. I don't know what kind of fish they used but I have never seen fish like that. It looked like some cheap left over of fatty fish. Do not recommend it. [read more](#). At Thai Kitchen in Austin you can **try delicious vegetarian meals**, that are free from any animal meat or fish, This restaurant offers a *catering service* that allows customers to eat the dishes on-site or at the festival. If you prefer flavorful meals, then you will find what you're looking for in [Thai meals](#).
