The Card of Rosalitas Brick from BRICK contains about 289 different meals and drinks. On average, you pay for a dish / drink about \$23.9. What [User](#) likes about Rosalitas Brick:

Rosalitaâ€™s was a pleasant surprise. The food was flavorful, portions were more than adequate and our server was very personable and attentive without being intrusive. [read more](#). When the weather is pleasant you can also eat outside, And into the accessible spaces also come customers with wheelchairs or physical disabilities.

What [User](#) doesn't like about Rosalitas Brick:

Food was not so great. BBQ tacos were extremely salty that couldn't really eat them. California shrimp tacos were very fishy tasting. My husbands Baja Mahi tacos came out after the other food came out. Never saw a manager. Server was very sweet. Nachos were very bland. Strawberry margarita had way to much purÃ©e and was to sweet to drink. [read more](#). Rosalitas Brick from BRICK is a good place for a bar to [have a beer after work](#) and be able to hang out with friends, You shouldn't miss the opportunity to try the flavorful [pizza](#), baked straight out of the oven in an original manner. If you decide to come for breakfast, you are offered a **hearty brunch**, Many visitors are also especially looking forward to the **diverse, delectable [Mexican](#) cuisine**.
