Top notch choice for great American diner food. Really efficient and proper wait service. The staff is friendly, attentive and nice. Food was really nicely prepared and plated with care. Everything was just as ordered with great value to portion size. If you're just passing through or you're going to the state fair, this is the spot to grab breakfast or lunch. Plenty of street parking. Recommended. [read more](#). As a customer, you can use the WiFi of the establishment free of charge. What Cristopher L doesn't like about Meridian Cafe:
