On this website, you can find the **complete menu** of **Wok This Way** from San Antonio. Currently, there are **24** meals and drinks available. DO NOT Wok This Way offers a culinary experience that's nothing short of polarizing. While some patrons rave about the freshness and flavor of signature dishes such as lemongrass wings and wonton soup, others recount unfortunate incidents, including raw chicken and overly sauced entrees that drown out authentic flavors. The ambiance feels uninviting, resembling a quick-service spot rather than a cozy eatery. Moreover, the ordering process before seating can detract from a leisurely meal. While prices are deemed fair, the inconsistency in food quality and experience may prompt diners to approach with cautious optimism.
