Ruby Tuesday offers a mixed dining experience that seems to vary widely among visitors. While the service shines, with attentive staff and delightful recommendations, the food quality can be hit or miss. The salad bar is sometimes criticized for poor maintenance, featuring wilted items and unpleasant odors. Entrees such as the hickory bacon burger and hickory bourbon chicken receive average ratings, with concerns about their presentation and portion size. Late food arrivals and kitchen delays have been noted, further complicating the experience. Nonetheless, many patrons appreciate the consistent service and enjoy the variety of flavors, especially praising the sweet potato and drinks.
