What [Tori W](#) likes about Limins Cafe Caribe (east Orange):

The food is amazing!!! I always get a veggie roti and it never fails to be yummy!!! The reason for 4/5 stars is because I usually add, in the notes, that I would like a tamarind sauce on the side with my order but I usually dont get it unless I go the store in person or I call once I make the order. Improvement with communication would definitely make this spot perfect for me! Other than that I definitely recommend. [read more](#).
