Kanpai Sushi Asian Bistro from Evansville prepares for you tasty sushi (e.g., Nigiri and Inside-Out), as well as in many additional variations, with fresh ingredients like fish, vegetables and meat. Moreover, the **enchanting desserts** of the house shine not only in the eyes of our little guests. The **dishes are prepared authentically Asian**. Furthermore, the guests love the creative combination of different dishes with new and partially experimental ingredients - a good example of successful *Asian Fusion*.
