Stars is known for great comfort food. The menu is extensive something for everyone. The decor is a little dated, but in great condition. Felt comfortable. Service was good. Food was wonderful, pricey, and worth it. In the end, we loved our visit. We'll be back. [read more](#). When the weather is good you can also eat and drink outside, And into the accessible rooms also come clientele with wheelchairs or physiological limitations. If you're craving for some fiery South American culinary arts, this is the place to be: tasty menus, cooked with fish, seafood delicacies, and meat, but also corn, beans, and potatoes are in the menu, and you can try scrumptious American meals like **Burger or Barbecue**. If you decide to come for breakfast, a **hearty brunch** is ready for you, The tasty sandwiches, healthy salads and other snacks are also suitable for a snack.
