I love this place. owners have made a great work to make the place entertained for all. one of the best features is a great stage, lighting and space for live music and dj. if you want to relax on the bar side, you can. it's great that they made this a music-friendly place. the men's chicks and staff there are always cool, friendly and offer very good service. this place also has great drinks. Horrible Service! My wife finished her burger before my cheese steak ever arrived. Then, they claimed I needed to wait for my waitress to checkout when all I wanted to do was pay for whatever food DID arrive so I could go buy McDonald's. Do yourself a favor and just start there. The burger was adequate and my iced tea was fine. Will not give them another chance. [read more](#). If eating and drinking is too boring for you, go to this **sports bar** for a variety of large and small snacks and meals and catch live football, tennis or Formula 1 games, In addition, the drinks menu that is offered in this established eatery is impressive. It offers a diverse diversity of beers from the region and the whole world. Of course, we must not forget the comprehensive variety of coffee and tea specialties in this restaurant, The *meat* is freshly cooked here on an open flame.
