The restaurant from Minneapolis offers **61** different *menus and drinks on <u>the menu</u>* at an average \$10.0. The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations. What <u>User</u> doesn't like about Dan Kelly's Pub:

When we got there, there was no table for us and the waitress said that they were told not to take reservations, and clearly there was no table for us, so we left. Very Disappointing!! <a href="read-more">read-more</a>. An additional service offered by the restaurant is the catering service for guests, Moreover, the menu of this gastropub offers a good and especially large selection of beers from the region and the world that are definitely worth a try. If you want to have breakfast, a <a href="hearty brunch">hearty brunch</a> awaits you, They also present scrumptious **South American** menus to you on the menu.
