Food is delicious. Service leaves a lot to be desired. I ordered my drink it was incorrect. No menus arrived for a long time. No bread either. Would have liked a refill on my coffee. [read more](#). During a meal, a good drink is essential. In this **gastropub**, you not only get delicious cuisine from the menu but also a comprehensive and particularly good variety of good beers and other alcoholic beverages that go well with the food, Also, the customers of the establishment love the extensive selection of various coffee and tea specialities that the restaurant has to offer. You have the option to, after the meal (or during it), also relax at the bar with an alcoholic or non-alcoholic drink, and you can expect original Italian cuisine with classics like [pizza](#) and pasta.
