What [User](#) likes about Sabor: brand new place, didn't even have the menu up when I came in. I found it during the trip through sleepy hollow throat during my working day and wanted to go with my lunch. Empanadas were on the spot! crisp, not fat and a real tasty. Eating and owners were cool youngs, definitely back to check the menu. [read more](#). What [Rome Melendez](#) doesn't like about Sabor: Don't know if the people reviewing this place are bots, but the food here is TERRIBLE!!
