[The Card](#) of *New China from Shreveport* contains about 234 different dishes and drinks. On average, you pay for a dish / drink about \$11.4. What [User](#) likes about New China:

We were pretty sure these folks were from NY just by the menu design we saw online, and the carrots cut a certain way. I never realized how regional American Chinese food truly is, until I have not had what I'm used to for nearly 3 years. Sure enough they are from Brooklyn! It was nice to have a taste of home. We definitely found our new go-to spot! Great food, good prices and wonderful people! [read more](#). What [User](#) doesn't like about New China:

I don't like this place, I recommend that they don't go there because I ordered a whole chicken wing I also ordered orange huhn the orange huhn was not cooked, as it gummy and just terrible my chicken wing I ordered a whole she gave me the half, but overall the customer service is pretty good.
