I visited this place with my staff and it is a great place to get some healthy / tasty meals. I tried the salmon salad. The salmon was cooked directly and perfectly seasoned. The salad was decent and the dressing was not too bold, but still tasty. The Pistachio Dessert is also really good after you have finished your entree. I would definitely come back to try some of their other menu items. [read more](#). What [Emmanuel J M](#) doesn't like about California Pita:

I'd rate lower if it wasn't as quick? Although I would have been much happier if I waited and food was correct and hot. [read more](#).
