I was not informed when I made the reservation that the restaurant did not sell alcohol. The host informed me, very rudely I might add, when I got to the restaurant. It also surprised me that they also do not allow for patrons to bring a bottle of wine with them, since they do not serve alcohol. It is an Italian restaurant, who enjoys pasta without a glass of wine? Never going back. [read more](#). At Coppola's West in New York, **crispy pizza** is baked oven-fresh using a time-honored method, and you can look forward to traditional **Italian cuisine** with classics like pizza and pasta. At the bar, you can still relax after the meal (or during it) with an [alcoholic or non-alcoholic drink](#).
