Great place to see a show! Nice set up, stage, and sound... A little bar, just as you come in, to get you started and there's also a Great downstairs bar (with a live stream screen of the stage upstairs, so you won't miss the show) and an outdoor patio too! All in all, a Great Show and Super Nice Venue! [read more](#). When the weather is pleasant you can also have something outside. During meals, a refreshing drink is essential. In this gastropub, you will find not only tasty meals, but also a large and comprehensive variety of good beers and other alcoholic drinks that compliment the food, You can take a break at the bar with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks. Sometimes you may not want to consume a lot, in this case one of the delicious sandwiches, a small salad or another snack is just right.
