I was a little tired to come here, but I was pleasantly surprised when I asked if they had a separate vegan menu and our server, alonso, said to order everything from the vegetarian section and he would make it vegan. I had the impossible burrito and it was good and filled with a tonne impossible flesh. will definitely go back! [read more](#).

Mexican Grill:

We decided to stop in for dinner after seeing this place on Happy Cow. Right on the bottom of the menu it said ask about our vegan menu ...so we did. No one, not even the manager knew anything about it. To their credit the chef did agree to try to put something together. It just didn't work well. We'd advise another restaurant if you're strict about your diet. Too much oil, cheese, dairy meat reliance here. [read more](#). If you're craving some **zesty South American cuisine**, you've come to the right place: tasty dishes, prepared with fish, seafood, and meat, though corn, beans, and potatoes are also in the menu, Many customers are also particularly looking forward to the diverse, delicious Mexican cuisine. You can also look forward to **delicious vegetarian cuisine**, and you can indulge in tasty American menus like Burger or Barbecue.
