We visited at 1330 on Saturday 3.19.22 in Alton, IL. It took a while to order thru in the drive, but the young gentleman who waited for us was friendly, fun and polite who definitely makes the experience better. The food was hot and fresh. I didn't get the name of the young man, but at the reception he was an employee #688. Please thank him for making the experience so much better than other area fast food places. [read more](#). What
