What User likes about Siriwan 4 Sectors Thai:

Okay, this is our new favorite Thai place! Delicious food, friendly staff, and clean restaurant! We got the spicy basil fried rice and the most delicious appetizer(Moo Yang) would recommend the appetizer to anyone! It was delightful and very flavorful. We practically inhaled our food because it was so tasty. Great food portions as well! [read more](#). In beautiful weather you can even be served in the outdoor area. What Brie W doesn't like about

Siriwan 4 Sectors Thai:

Apparently extra spicy means no flavor. Food is bland and disgusting. All the salt they needed to put in the food they put in the dessert? so gross. And when I called asking why the food wasn't at all spicy after I specifically asked for extra spicy, the owner said ?come pick up some chili flakes?. Would give it a 0/5 if available. Gross food and even worse customer service. [read more](#).
