This restaurant has been there nearly 40yrs. The food is good, the prices are right. The service is also very good. Anybody who enjoys Chinese food, doesn't mind picking up and is tired of all these over inflated prices should definitely try Golden Tree . [read more](#). What [1David J \(2 1 year ago on Google\)](#) doesn't like about Golden Tree:

This place is horrible. The egg rolls are tough and chewy. The won ton soup has zero flavor. The chop suey sauce tastes like it has way too much sugar in it and it tastes like they cooked it too long. The only good thing about the meal was the almond cookie. I am sure they don't make those there. [read more](#). The comprehensive variety of coffee and tea specialties makes a visit to Golden Tree even more worthwhile, There are also delicious South American menus in the menu. Moreover, there are tasty American dishes, such as **burgers and grilled meat**.
