Atmosphere was great, service not so good! Waited 10 minutes for the bartenders to approach or acknowledge us unfortunately they were too busy talking and playing around even though they looked at us repeatedly. If you're craving for some *fiery South American culinary arts*, this is the place to be: exquisite meals, cooked with **fish, seafood delicacies, and meat**, but also corn, beans, and potatoes are in the menu, Furthermore, the drinks list in this restaurant is impressive and offers a good and comprehensive variety of beers from the area and from worldwide, which are definitely worth a try. Typically, the burgers of this place are served as highlights along with sides like fries, leaf and cabbage salads or wedges, and you have the opportunity to try fine American meals like Burger or Barbecue.
