[Contreras](#) doesn't like about Fired Pie:

Extremely slow staff. I've been here twice, thinking that the first time was just a one off, but now I see that it is the same each time. I called my order in and when I got there they had not even started the pizzas. Then a customer came in after me and ordered 2 pizzas and they received theirs before I did. Small and dirty dining room. Highly advise against visiting this location [read more](#). Get excited about the **diverse, delicious Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), Also, you shouldn't miss out on the delicious pizza, original freshly baked in a wood oven. Would you rather enjoy the food in your own four walls or on a special occasion like a party? Thanks to the in-house catering, that's no problem.
