What [User](#) likes about Emerson's: it was my birthday that we wanted to go into a unique opposite in the city and this place did not disappoint. the food was excellent, the service was excellent, the ambiente was excellent, there is a little noise, but if that doesn't bother, it was otherwise great and affordable [read more](#). The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological disabilities. What [User](#) doesn't like about Emerson's:

The food was just ok for the price. I definitely expected more. The employees we encountered were all very nice. Cute space. [read more](#). During a meal, a good drink is essential. In this **gastropub**, you not only get delicious dishes from the menu but also a comprehensive and particularly good variety of good beers and other alcoholic beverages that go well with the food, For a snack in between, the yummy sandwiches, healthy salads, and other snacks are suitable.
