The **menu of El Azteca Y El Guanaco** from New York includes **180** meals. On average, *meals or drinks on [the card](#)* cost about \$11.3. The categories can be viewed on the menu below. What [Sk S](#) likes about El Azteca Y El Guanaco:

The only reason for 4 rather than 5 stars (and I rate not against typical high end restaurants but against equivalent inexpensive local ones) was that it was quite difficult to get waitstaff attention. Food wasn't worth it! A LIT OF BIT OF RICE AND THE MEAT WASNT VERY TASTY....it don't even look like a traditional carne asada. Only good thing about this plate was the chimol and the orchata. [read more](#).
